

tempaid

Navigating
compliance.
Delivering
confidence.

TempAid designs, validates, and manufactures **premium cold chain packaging** for pharmaceutical, biotech, clinical trial, and life sciences customers worldwide.

With production facilities in Canada, China, and Vietnam, we provide VIP shippers, PCM systems, and insulated mailers backed by **ISTA-certified thermal testing and pre-qualified documentation.**

Cellulose insulation

**CELLULOSE INSULATION THAT PERFORMS LIKE EPS,
OCC-E CERTIFIED, FOOD-CONTACT SAFE, AND
CURBSIDE RECYCLABLE WITH THE BOX IT SHIPS IN.**

EarthWise Cellulose is paper-based insulation built for shipments where sustainability isn't an afterthought, it's part of the spec. Made from recycled material and certified OCC-E curb-side recyclable, it ships flat, cutting inbound freight and storage footprint, or pre-assembled for a faster pack-out, and goes straight into the recycling bin with the corrugated box once the shipment's done.
