

TempAid designs, validates, and manufactures **premium cold chain packaging** for pharmaceutical, biotech, clinical trial, and life sciences customers worldwide.

With production facilities in Canada, China, and Vietnam, we provide VIP shippers, PCM systems, and insulated mailers backed by **ISTA-certified thermal testing and pre-qualified documentation.**

SteadyPac EarthWise

**COLD CHAIN PERFORMANCE.
CURBSIDE-RECYCLABLE.**

Your cold chain shouldn't end in a landfill.

EarthWise is OCC-E certified curbside-recyclable, ISTA validated to 130+ hours, and available for refrigerated and CRT shipments, patients just put it in the recycling bin and move on.

EarthWise was built for companies that need the cold chain to perform and need the packaging to disappear cleanly at the end.
