

TempAid designs, validates, and manufactures **premium cold chain packaging** for pharmaceutical, biotech, clinical trial, and life sciences customers worldwide.

With production facilities in Canada, China, and Vietnam, we provide VIP shippers, PCM systems, and insulated mailers backed by **ISTA-certified thermal testing and pre-qualified documentation.**

SteadyPac

THE PROVEN FORMAT. A BETTER END OF LIFE.

SteadyPac Qualified Pack Outs balance cost with reliability to provide temperature stability with a variety of refrigerant options, sizes and configurations.

All **SteadyPac** Solutions are available in EPP (Expanded Polypropylene). Foams molded from EPP have enhanced durability and retain a high degree of dimensional stability when exposed to temperature extremes.
